## Making Changes to your Registration

Once you register you can edit your registration, correct mistakes and add players

Once registered, participants (Players, Coaches/Team Staff, Referees) can log in to their "Registration Account" to access various options like registering on additional registration forms and retrieve receipts

To log in:

1. Go to your Registration Account link on your organization's website.
2. Select the Manager your account button
3. Enter in the player's first name, last name, date of birth and access code.
4. If you do not know the player's access code click on "retrieve your access code". Enter the player's first name, last name and date of birth then click Submit. The access code will be emailed to the email connected to the player.
5. Once the player's first name, last name, date of birth and access code are entered click Submit.
